2. Your presentation to the Project Evaluation Team on 17th December 2016
3. Final selection for pre-incubation by PET, Ref No: ICIITP/PET/INC/2016/02, Dt. 17.12.2016

I am glad to inform you that your proposal has been selected for the 3 month Pre-Incubation program at The Incubation Centre, IIT Patna.

Objectives of the Pre-Incubation program is to guide you to

- Further refine your technology approach and elaborate your business plan in various aspects of business including those that are in the primary focus of IC IITP
- Seek admission to regular Incubation program by submitting the business plan to PET

As part of pre-incubation, IC IITP will provide you access to the IC labs during working hours based on availability and guidance from IC administration to elaborate your business plan.

During the period of pre-incubation, you are required to comply with the following guidelines. Actions contrary to these guidelines can lead to termination of your program without notice and the decision of the IC IITP in this regard will be final and binding.

- Abide by the rules and regulations of IC IITP and to use the facilities responsibly
- Abstain from activities that will hinder smooth conduct of others work and from accessing IPR related information from other firms in the incubator without prior written permissions.
- Not to allow people who are not members of your team from accessing the facilities using your access privileges.

Kindly confirm your acceptance of this offer before 31st January 2017, by returning a signed copy of this to IC office. Wish you all success in your entrepreneurial endeavour.

Regards,

Joseph Paul Arackalan,
Asst. Manager, Incubation Centre
